**DEPARTMENT OF HOMELAND SECURITY
MOTION FOR SUMMARY AFFIRMANCE AND
OPPOSITION TO THE RESPONDENT'S APPEAL**

The U.S. Department of Homeland Security, U.S. Immigration and Customs Enforcement (Department), by and through its undersigned counsel, hereby respectfully submits this motion for summary affirmance and opposition to the respondent's appeal.

The Department respectfully requests that the Board of Immigration Appeals (Board) summarily affirm the decision of the Immigration Judge dated July 31, 2017, 2017. 8 C.F.R. § 1003.1(e)(4)(i). The Department submits that the Immigration Judge reached the correct decision, such that any errors which may exist are harmless or immaterial. 8 C.F.R. § 1003.1(e)(4)(i)(B).

In the alternative, should the Board determine that summary affirmance of the Immigration Judge's decision is not appropriate, the Department submits that none of the six circumstances warranting review by a three-member panel are present in this case, and that the Immigration Judge's decision should otherwise be affirmed by means of a brief order. 8 C.F.R. §§ 1003.1(e)(5) and (6).
