| <b>Haiti</b>       | <p><b>TERMINATED</b></p> <p>On July 1, 2025, USCIS published a notice in the Federal Register announcing the termination of the designation of Haiti for TPS. The designation was set to expire on Aug. 3, 2025, a result of Sec. Noem issuing a partial vacatur of the July 2024 decision previously issued by the Biden administration to extend TPS for Haiti until Feb. 3, 2026.</p> <p>However, also on July 1, 2025, a <a href="#">federal judge made a ruling</a> that reinstated the February 2026 termination date. The government will likely appeal this decision. CLINIC will continue to monitor and provide updates.</p> | Termination effective as of Feb. 3, 2026  | <a href="#">90 FR 28760</a> |
| <b>Honduras</b>    | <p><b>TERMINATED</b></p> <p>DHS has terminated the designation of Honduras for TPS, effective as of Sept. 8, 2025.</p> <p>On Aug. 20, 2025, a three-judge panel from the Ninth Circuit Court of Appeals granted the Trump administration's request to stay a district court <a href="#">order</a> that would have allowed TPS for Honduras to continue through at least Nov. 18, 2025</p>                                                                                                                                                                                                                                              | Termination effective as of Sept. 8, 2025 | <a href="#">90 FR 30089</a> |

|                    |                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                           |                             |
