Sarah,

This legal guidance is currently just for adjudicators. We had discussed with OCC the possibility of issuing some sort of policy update for stakeholders, but it may ultimately make sense for the update to come via the PM, particularly given the current hold on outreach. Perhaps we can discuss further on our next SIJ outreach call?

Thanks,

Margot

Elizabeth:

Let me check with Maria and see whether we can prepare a message – do you have a judicial POC list? Maybe we can just send a message to those stakeholders only?

The real question is do we want to open this can of worms, if we are not conducting any outreach, or should we wait until the manual is complete?

Thanks.

Hi Sarah, We are working on updates to the policy manual that will add this new guidance in. Other than that, not sure how we can message it given we are not being approved to do any judicial outreach. Ideas?

Elizabeth:

Quick question about an item that was discussed at the SIJ WG today. Should we be messaging this new legal guidance to our judicial stakeholders, **or is this just for our adjudicators?** It was not clear too me on the call and I just wanted to make sure.

Thanks.
