

# CLINIC CONVENING 2023

Phoenix, AZ  
May 17-19

## Room Sharing Agreement and Instructions

- We provide the room sharing option to assist Convening participants in arranging affordable hotel accommodations. However, CLINIC cannot guarantee any room sharing arrangements and bears no liability for any such arrangements. Cancellation on the part of one or more roommate will require the remaining roommate(s) to either find a replacement or bear the whole cost of the hotel room.
- In order to allow you to select a roommate, CLINIC will provide a list of names and contact information for other individuals who have also selected “yes” for room sharing. By choosing “yes” you are agreeing that your name, phone number, and e-mail address may be shared with other Convening participants searching for roommates. Convening participants bear responsibility for identifying possible roommates from the appropriate list of other participants interested in room sharing and making all arrangements and reservations.
- Once you have made arrangements with a roommate, please book your hotel room at the **Sheraton Phoenix Downtown Hotel**. If you have any questions or experience any difficulty during the reservations process, please email [\*\*convening@cliniclegal.org\*\*](mailto:convening@cliniclegal.org).
- Shared room arrangements can only be made through **Monday, April 24**. Hotel accommodations are available on a “first come, first served” basis and may sell out at any time. The CLINIC Convening 2023 hotel rate will be available through **Monday, April 24, or until the room block sells out**.
